## Application for Swedish work permit

Use this form when you apply for a work permit in Sweden, and are a citizen of a country outside the EU/EEA area or Switzerland. If you are to work in Sweden for more than three months, your application also regards a residence permit. The Swedish Migration Agency will charge an application fee for the administration of this application.

If you are to work in Sweden for less than three months and you need a visa to enter the country, you will also have to apply for a visa.

The main rule is that you should apply for and have been granted a permit before entering Sweden. Your employer can initiate the permit application at [www.migrationsverket.se](http://www.migrationsverket.se). If you are unable to apply online, fill out the form and submit your application to a Swedish embassy or consulate-general. If you are in Sweden, send the form to The Swedish Migration Agency, Box 3100, 903 03 UMEÅ.

If you provide all the information requested in the form and include all the required documents, the waiting period will be shorter.

You can find more information at [www.migrationsverket.se](http://www.migrationsverket.se).
