## Part 2

Read the text about Khalid and choose the correct answers.

There is one example.

My name is Khalid. Last week, our topic at school was dinosaurs and before that it was flowers. That was more difficult. This week we're learning about healthy bodies. It's really interesting, even better than dinosaurs.

Today we learnt that drinking water and eating healthy food is important. I'm going to eat more vegetables now and try not to eat so many sweets. Children also need more sleep than adults because it helps us to grow. I usually sleep nine hours a night but the teacher says ten is better. My dad only has eight hours.

Exercise is good for us. You can walk in the countryside or go swimming - that's my favourite - or play football. But you must be careful - last week I hurt my knee in a basketball game.
