Example Aisha's family

Aisha lives with her family in Ajman. She has three older brothers and five younger sisters. They like to play together.

9

Helpful Robots

Abdullah and Marwan go to school together. The school is big and has a big playground with space to play sports. Abdullah likes it because he likes playing football, but Marwan likes smaller schools.

10

A Tiny School

Robots can do many things. They can help people in wheelchairs to carry things or climb stairs. They might go into burning buildings and other dangerous places.

11

A Big School

Hafsa's school is very small. It has children of all ages, so her sisters go to the same school. Hafsa likes it because she knows everyone, but there is not much space.

12

A Small Robot

Ahmed got a robot for Eid from his father. The robot is tiny, smaller than a pencil. Ahmed likes it because it has a light and a camera.

Part 2B
