"Hey, Zayed," called Saif, "can you help me? I want to ask for your advice. I want to exercise and move more. I think sport is good. I can get fit, and it might be quite exciting too. I play tennis with my brother sometimes, but I need to exercise more often. I can run fast and jump very well, but I can't throw or catch a ball. I don't like water, so I can't do water sports."

"I think playing sport is fun," said Zayed. "You can also make new friends if you play a team sport. When I go to the basketball club every Wednesday, I have fun and learn with my friends. I really enjoy running and throwing the ball. Every week, when basketball club is over, we watch a movie together at my house. I really like playing basketball, but I don't think you would like it. You could play tennis on Tuesdays, but I think you should try football. Football practice is every Thursday. I can ask my friend, Marwan, to take you."

"That sounds great," said Saif, "Thank you. I'm very excited."

Football Practice

On Thursday afternoon, Saif got ready for his first football practice. Marwan arrived. "Zayed asked me to come for you," he said. "He thinks we should go together."

Ten minutes later, Marwan's dad stopped the car. "You can call me when you are ready to come home," he said. "Have fun!"

Saif was quiet. "Marwan," he said, "you look really good in your beautiful kit. Your shorts and top are very smart. Do I look okay?"

Marwan looked at Saif's old shorts and blue t-shirt. "You look fine," he said. "Most people wear just the same as you, but I like wearing the football kit all the time. I bought mine from 'All Sports' on Second Street, but all the shops sell them."

Later, when Saif got home, his brother asked how his day went. "Oh," said Saif, "I enjoyed it. I wasn't keen on running with the ball. I liked kicking it all the way down the field. When the teacher saw that, he was happy. He thinks that I have strong legs. I liked the other boys and I want to go every week."

The following week, Saif went to football practice in a beautiful new kit!

Reading

Some people read when they are bored. When you travel a long way, you can read to pass the time. You can read anywhere, but I think home is a very good place to read. Find a comfortable chair and open a book. This is a great way to spend many hours. Of course, the library is another place to read because there are lots of books there!

Reading looks after your body and your brain. When you read, you can't think about other things. The story makes you forget any difficult things in your life. After a busy day at school, it is nice to come home and have some quieter time with a book. You can make a drink and some snacks to eat as you read. You might want to sleep, but an exciting book should keep your eyes open! Reading makes you feel happy and healthy.

People enjoy talking about stories that they have read. They share pictures and ideas online every day. Some people like dressing up to look like a person from their favourite book and going to special meetings. They make new friends this way. Reading brings people together.

Photography

We all **1** (like taking / do took / can takes) photos. It is easy to take pictures, but our photos **2** (are not / am too / is also) always good. People who do photography as a hobby spend a long time taking their photos.

First, they think carefully about the picture they want to take. They think about all the things they want in the photo **3** (but / and / because) where each thing should be.

Next, they **4** (chose / choose / chosen) which camera to use. Most photographers use digital cameras. They have a little computer inside them, like our smartphones. Some photographers, however, still use the old type of camera. Old cameras are more difficult to use, **5** (but / so / because) some photographers like them.

In the past, cameras were very slow and heavy. Now, cameras **6** (were / will be / are) light and small. You **7** (can / does / must) put them in your pocket. Many people **8** (haven't made / don't use / can't take) cameras now! They have smartphones instead, **9** (but / too / or) they can still take photos.
