One day, Ali went to the desert with his family. First, they put up a tent and made a fire. Second, mum and dad started to make lunch and Ali took wonderful pictures by his dad's camera. Suddenly, Ali lost it in the sand duns and he was sad. Then, he told his dad and they searched for one hour. Next, they found it. Finally, they were happy because they had so much of fun.

One day, I went camping with my family. First, we drove to the desert. Then, we put up a tent and started to cook. While I was talking to my sister, we heard a noise. We felt very scared so we screamed and ran. We thought it was scorpion, but my brother made a trick. At the end, we were tired, so we went home and slept.
