### Final exam Practice

#### Question 1 ( Bonus )

Alia always wanted to cook. She wanted to be a chef when she was a little girl. When she was about ten years old, she started cooking for her whole family. They seemed to like her food. Even her brother, who was a very fussy eater, always asked for another plate of whatever she made.

**Write your answer below. Use full sentences.**

What happens next in the story?

Alia got better at cooking and everyone loved her food. She decided to join a cooking contest to show her skills to more people.

**Write your answer below. Use full sentences.**

Why do you think this will happen?

Use the information in the text above to support your answer.

Alia is very good at cooking, and her family loves her food. Her brother always asks for more, so she may join a cooking competition to show other people how well she can cook!

**Write your answer below.**

Write a plan for the rest of the story.

Include information about:

- what Alia's first job is like.
- what she enjoys about her job.
- something exciting that happened in her job.
