## Reading Comprehension

### Read the story about Ahmed's camping trip.

Ahmed and his brothers went on a camping trip before school started. They found the perfect place to camp! It was where a small river joined a lake. The area was ideal. Ahmed and his brothers could swim all day. It was a perfect place to fish or relax. For two days, the trip was great but on the third day it began to rain. Everyone joked, laughed and played in the rain. One night, Ahmed woke to hear a loud crash. He realised that the tent was floating! The rain had flooded the river and their tent had fallen into it. Ahmed shouted and woke his brothers and they swam to safety. Lightning flashed across the sky. Thunder shook the ground. The storm lasted all night. It was like a bad dream. The next morning, the lightning and thunder stopped. They worked hard all morning to fix their campsite. During lunch, a policeman came to ask if they were okay. He told them a camper had been hurt when a tree fell on his tent. Ahmed and his brothers felt lucky to escape unhurt.

A — Salem Last year, I went on a rollercoaster for the first time. I was scared, but I decided to try it. It was exciting and terrifying at the same time! I closed my eyes and tried not to scream. When it was finished, I felt a sense of pride because I had done something brave. I haven't been on a rollercoaster since! I would really love to do it again sometime soon.

B — Ahmad I felt really proud of myself when I first learned to swim! I remember that feeling of excitement very well. I felt very satisfied because I had achieved something! I was six years old and I had a fear of water. But when I learned how to swim I wasn't afraid of it any more. Since then, I have never been afraid of water again. I have even become a member of the local swimming club.

C — Zainab I was always scared of heights! But one day my parents said we were going to visit the Burj Khalifa. At first I didn't want to hear about it. How could I visit the tallest building in the world and not just scream? But at the same time I didn't want to miss out on the fun my brothers and sisters would have. So, I decided to join them! It was amazing! I really loved it! I wasn't scared after all and maybe everything was just in my head.
