Hi, my name is Harry and I live in London. This is my daily routine. I wake up at 7.00 in the morning and I am always hungry for breakfast. For breakfast I eat cereal and some fruit. I usually have some milk to drink. After that at 7.30 I have a shower, brush my teeth and get dressed. My older brother takes a long time in the shower so sometimes I have to wait. I live near my school so I walk and usually leave my house at 8.15. School starts at 8.50 and we have 3 lessons before lunch and 2 lessons after. My favourite class is Science but I also like Maths.

I finish school at 15.00 and walk home with my friends. If the weather is good we play football but if it is raining we play computer games. At 18.00 I have dinner with my family and after make sure that all of my homework is finished. I am usually in bed at 21.00 and read for a while and then go to sleep.
