The Al Marzooqi family loves exercising every day. They enjoy running, cycling and swimming together. The father told the family that they are taking part in a 10km race. The race has two parts, 5km running and then 5km cycling.

"I am so happy. It is the perfect time for us because we practised for almost six months. The waiting made me even more excited and now it's finally happening," said Hind.

The whole family started running for six days every week except Hamad. He thought that he could win, so he practised twice a day. Al Meydan's 5km run takes place in Dubai once a year. At the same time, there are other races that take place in Sharjah and Abu Dhabi. However, the family was only interested in the Al Meydan race.

She passed everyone and crossed the finish line. "I won!" Hind cried. When her family finished the race, they all came together and gave Hind a high-five.

"I am so happy for you. You did well, Hind! Your success is our success," Hamad said.

Becoming Healthier

My name's Ali and I live in Dubai. Recently, I've made some changes to have a healthier and more active lifestyle.

One day I'd love to cycle or run to school, but maybe when I'm fitter. For now, my dad drives me there and picks me up. After school, I walk for at least an hour. I enjoy walking on the beach, at the park or around the garden. My favourite walks are always by the sea. In the evening, my brother and I are allowed to play computer games. My brother always plays, but my father is surprised that I never play them – not even with my brother.

I always eat healthy food at school and at home I eat well too. Before, when I went to restaurants with my family, I ate unhealthy food like pizzas, burgers and ice-cream, but not any more. Now I try to eat lots of vegetables, but not too much fruit because there's a lot of sugar in it.

Sleep is also important. Before, I went to bed too late and only slept five hours a night. Now, I try to go to bed early enough so I don't feel tired when I wake up at 6am. Each night, I'm getting eight hours of sleep and I feel great because I have more energy.

Reading

Some people read when they are bored. When you travel a long way, you can read to pass the time. You can read anywhere, but I think home is a very good place to read. Find a comfortable chair and open a book. This is a great way to spend many hours. Of course, the library is another place to read because there are lots of books there!

Reading looks after your body and your brain. When you read, you can't think about other things. The story makes you forget any difficult things in your life. After a busy day at school, it is nice to come home and have some quieter time with a book. You can make a drink and some snacks to eat as you read. You might want to sleep, but an exciting book should keep your eyes open! Reading makes you feel happy and healthy.

People enjoy talking about stories that they have read. They share pictures and ideas online every day. Some people like dressing up to look like a person from their favourite book and going to special meetings. They make new friends this way. Reading brings people together.

Ten minutes later, Marwan's dad stopped the car. "You can call me when you are ready to come home," he said. "Have fun!"

Saif was quiet. "Marwan," he said, "you look really good in your beautiful kit. Your shorts and top are very smart. Do I look okay?"

Marwan looked at Saif's old shorts and blue t-shirt. "You look fine," he said. "Most people wear just the same as you, but I like wearing the football kit all the time. I bought mine from 'All Sports' on Second Street, but all the shops sell them."

Later, when Saif got home, his brother asked how his day went. "Oh," said Saif, "I enjoyed it. I wasn't keen on running with the ball. I liked kicking it all the way down the field. Paralympics

We all know that it is important to be active and eat healthy food. Sport is an excellent way to stay healthy. Many people with a disability, like not being able to walk, also like sports. If they are very good, they can take part in different sports at the Summer Paralympics. The UAE has won many medals from these games. For a long time, only men from the UAE could be in the Paralympics, but now women are taking part, too. Emirati men and women have won four gold, ten silver and five bronze medals at these games.

Although it is terrifying being in the games because there are so many people watching, it is also very satisfying. The athletes are confident and brave. If they win a medal, they can be very proud. Like the Olympic games, the Paralympics take place in a different country every four years. Unusually, the 2020 games had to be stopped because of Covid-19. The next games will hopefully be held in Japan in 2021.

Movies

I like watching movies. The best place to see new movies is at the cinema, but I usually watch films at home or at my friend's house.

I like animation, but my favourite type of movie is science fiction. The stories are always interesting and exciting. But most of all, they have amazing special effects.

I also really like the costumes. They are unusual. I would like to wear clothes like that, but I think some of them would be uncomfortable to wear. They do look interesting, though I'm pleased that the producers spend a lot of money to make science fiction films. These are the movies that I like to watch again and again.

I don't like horror films because they scare me. The terrifying music scares me most of all. When I hear the music, I know something bad is going to happen. I don't like the strange characters or the dark settings either.

I never enjoy films that are not positive and inspiring. Movies should make you feel good, not negative and sad.

My favorite animal is the camel. Camels have long legs, a humped back, and thick fur that helps them survive in the desert. I like camels because they are very strong and can carry heavy loads across long distances. Camels are helpful to people, especially in desert areas, because they can transport goods and people through harsh conditions. However, camels can't survive in cold climates and need dry, hot environments to live.

Title: "My Amazing Family Adventure"

Hi! I'm Shamma, and I want to tell you about my awesome family. We're like a team of superheroes, but without capes (well, most of the time). My family is made up of my mom, dad, little brother Hammed, and me. We might not have superpowers, but we sure know how to make life exciting!

One thing that makes my family so special is our weekend traditions. Every Saturday morning, we turn our living room into a pancake paradise. Mom flips the pancakes high in the air, and we try to catch them on our plates. It's like a breakfast circus, and it always makes us laugh.

Another cool thing about my family is our love for nature. Dad is like a walking encyclopedia about birds, and he taught me how to identify different species. Last winter, we went on a camping trip, and I saw a shooting star for the first time. It was magical, and I made a wish that our family would always be together, exploring the wonders of the world.

But, like any team, we have our challenges. Hammed sometimes borrows my things without asking, and Mom says I need to be more patient. I guess being a superhero in training requires teamwork and understanding.
