Khaled's Presentation

Hello, my name is Khaled. Today I'm going to talk about doing things for the first time. Two years ago, I was on holiday with my family in America. Everyone on the ride screamed as we went up and then down. I couldn't believe that I liked it so much. I started to laugh because it was having so much fun!

Since then, I have been in many rollercoasters in America, Japan and the UAE. The last one I went on was the fast ride at Ferrari World in Abu Dhabi. It was really fast.

To sum up, I'm so happy that I let my sister take me on that first roller coaster ride in America. If I had been too scared, I would never have known that they are so much fun. As I said in my introduction, doing something for the first time makes you feel proud or brave. And it can be lots of fun!
